

CLAUSE I-116 – SAFETY AND HEALTH (GOVERNMENT OWNED OR LEASED) (August 2002)

The Subcontractor shall take all reasonable precautions in the performance of the work under this subcontract to protect the safety and health of employees and of member of the public and shall comply with all applicable safety and health regulations and requirements (including reporting requirements) of DOE. SURA shall notify the Subcontractor, in writing, of any noncompliance with the provisions of the clause and the corrective action to be taken. After receipt of such notice, the Subcontractor shall immediately take corrective action. The Subcontractor may be required to submit a management program and implementation plan to SURA for review and approval after award of this subcontract. In the event that the Subcontractor fails to comply with said regulations or requirements of DOE, SURA may, without prejudice to another legal or contractual rights of DOE, issue an order stopping all or any part of the work; thereafter, a start order for resumption of the work may be issued at the discretion of SURA. The Subcontractor shall make no claim for an extension of time or for compensation or damages by reason of, or in connection with, such work stoppage.
